

International Master Course on Aging Skin

*IMCAS Annual Meeting 2013
(International Master Course on Aging Skin)*

*Paris - January 31 - February 3, 2013
Le Palais des Congrès de Paris*

*CERTIFICATE OF ATTENDANCE of teaching course 09
"toxins & combined treatments"*

Dr

Petra BECKER WEGERICH

The following skills and techniques were taught during this teaching course:

- learn how to improve results by analyzing patient's anatomy and taking into account post treatment patterns*
- outline the available techniques to inject botulinum toxin*
- compare and appraise the pros and cons of the available toxins*
- identify the various types of dosing*
- update your knowledge on the latest injection techniques for the upper and lower face*
- identify the potential adverse reactions and develop strategies to manage them*
- study combination therapy of using toxin along with other procedures for synergistic results*
